

## **OKCC Building Fund Donation Pledge Form**

By God's grace, OKCC has continued to grow, far exceeding capacity of the current building that God allowed 20 years ago. We thank God that the construction of the new building, which has been dreamed of and planned for many years, is now finally almost underway, and we realize that this is a time to seek unity in prayer and dedication with all our hearts together as a congregation.

Please note that this Pledge form is not legally binding and the inclusion of personal information is completely voluntary and optional.

However, in order to plan the construction process as efficiently and effectively as possible, we sincerely ask that the congregation share the amount and timing of the planned donations. Through the prayers and devotion of all congregation members, may our church and the new building be used in the work of building the kingdom of God.

How to donate: If using a donation envelope, please indicate "Building". When using E-transfer, please write 'Building' in the message field. Donations of \$20 or more per year are eligible for a Tax Receipt.

E-transfer to: offering@okcc.ca

1. **How** to make a donation for the building (choose 1): One-time(  ) Installments (  )

### **Let's Pray Together!**

To build a church building to be used in expanding the Kingdom of God in Ottawa and the Nations

For our church to become one in spirit throughout the building process with Christ's heart and help of Holy Spirit

For our church to experience God's intimate help and grace throughout the building process, especially with the approval of the site plan and building permit.
